CROSSPOINTE
COMMUNITY CHURCH

Outreach Philosophy

One of our core values is the Great Commission. We desire to be used by God to help make disciples of all peoples, near and far.

Some of our core convictions as it relates to local outreach are as follows:

- When Jesus tells us to love our neighbor, he means more, but certainly not less, than are literal neighbors. -Mark 12:31
- Jesus advances His kingdom by empowering all Christians to share the truth of His resurrection. -Acts 1:8, 1 Peter 2:9-10
- We must bloom where we are planted, trusting that God has sovereignly placed people in our lives for a purpose. -Acts 17:26
- With fewer and fewer people willing to visit a Sunday service, the need is greater than ever to bring the good news to them. -Matt 9:37-38

"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit," - Matthew 28:19

Local Outreach

Block Party

Each year we hold a Block Party for our community. We believe this is a great way to care for people in our community and show them that we care about them. There is food, games, face painting and even axe throwing. Find more details and how you can help on our website!

Backyard Bible Clubs

Each year we hold several Backyard Bible Clubs in the neighborhoods around our church. These clubs are for kids of all ages and include, games, crafts, teaching and lots of fun! They run Monday - Thursday though the months of June and July. Find out more on our website!

Student Work Projects

Our Students often go on service trips to local ministries. One of the places we serve each year is Twelve Stones. You can find out more about these trips by talking to our Student Ministry director.

Counseling

We offer free counseling to anyone willing or in need of help. God offers great hope for all situations and we want to bring that help to our community. Find out more online.

Community Garden

Each year we set aside part of our land for a community garden. We love to see people from our community growing

gardens together!
Find our more online.
